**«GATEWAY
ARCHITECTURE_ACCESS TO
OPEN CITIES» – POSITION,
PROCESS & PERSPECTIVE**

The background is a grayscale photograph of a construction site. In the foreground, there is a dense network of steel rebar for a concrete slab. In the mid-ground, there are several modern buildings with glass facades. In the background, two tall, slender skyscrapers rise against a light sky. The overall scene is an urban construction environment.

**VIELEN DANK UND AUF
WIEDERSEHEN!**
